THERE'S NO PLACE LIKE HOME...

Mimi, single mom with 3 children, was living in her car before entering the Families Forward Housing Program. She recently renewed her lease, and sent us this update, *"Thank you so much to Families Forward for helping me and my family get back on our feet. I couldn't have done it without your support. I know I cried a lot of tears with you over so many challenges but now I just cry tears of joy! Feel free to share my story to inspire others that may be in a dark place like I was. I wish you all the blessings in the world to continue helping families overcome hard times."*
