

Other Ways to Give During the Holidays

Looking for a meaningful way to celebrate the holidays? This year, share the mission of Families Forward with friends or colleagues. **Host a holiday party** benefiting Families Forward!

In lieu of a typical employee gift exchange, adopt a family or families through our Adopt-a-Family Program. Employees can pick a child (name, age, and wishlist provided), and bring a small unwrapped present that will be gifted to the child.

Ask your holiday party guests to bring an unwrapped gift for a teen in lieu of host gifts. Each holiday season, teen wishlist items are especially needed.

Adopt a family or families through our Adopt-a-Family Program, and center your holiday party around bringing the unwrapped gifts on the child/children's wishlists.

Invite a Families Forward staff member to your office or party to share our programs and a family success story. For more information, please contact us at info@families-forward.org or (949) 552-2727.
