

# Warm Your Heart Program

Having trouble coming up with a creative and new gift idea this year? Donate to Families Forward and we'll send Holiday Tribute Cards to your friends, family or colleagues.

Our "Warm Your Heart" program is an easy and impactful way to support Families Forward. We will email or mail a tribute card to the recipient of your choice, letting them know that a donation was made to Families Forward in their honor.

Use our Warm Your Heart tribute cards to:

- Congratulate employees for a job well done
- Thank vendors who provide exceptional service
- Show appreciation to your valued customers
- Reward employees for their community service work
- Appreciate family and friends with a meaningful gift that will help local families in need

Donations can be made in any denomination, and there are no processing fees. Your full donated amount is eligible for a charitable tax deduction. The recipient does not receive a tax deduction.
