Good Shepherd Lutheran Church

“Spirit of Community” Honoree

Good Shepherd Lutheran Church in Irvine has always had a passionate commitment to helping our neighbors in need with **direct, tangible support**. Families Forward traces its founding back to the dedication of Pastor Jim Hale, who, along with other clergy and churches, came together as a strong force in our community to address family homelessness. During the past thirty years, Good Shepherd’s support for Families Forward has never wavered and its impact has been far-reaching. Today, Pastor Ryan Warne-McGraw continues

this tradition of vision and strong leadership on our Board of Directors. In addition, the church’s loyal financial support and year-round efforts to support volunteering, Holiday, and Food Pantry programs has ensured homeless children in our community are cared for and can return to a stable home with their family.
