FURNITURE DONATION CRITERIA

Due to space limitations, we are currently only accepting new or gently used furniture that fits our criteria below. **All items must be working, clean with no rips, holes, or stains.** Furniture must be from a smoke-free household, free of pet stains and suitable to put into our homes immediately.

Families Forward shares a partnership with Goodwill O.C. in which some furniture is exchanged for Goodwill store vouchers; these vouchers are used by our housing families to purchase furniture that suits their family's needs and location. All furniture donations are subject to exchange through this partnership.

Please understand that our availability to pick up furniture items depends greatly upon time of year (typically January-June) and current warehouse space. Due to our Seasonal Holiday programs, we are unable to conduct most furniture pick-ups during July-August and October-December.
