POSITION DESCRIPTION

CHIEF PROGRAM OFFICER

THE ORGANIZATION:

Mission: Families Forward exists to help families in need achieve and maintain self-sufficiency through housing, food, counseling, education and other support services.

Starting with five rented apartments in 1984, Families Forward has expanded to work with hundreds of families to regain economic independence and find a stable home for parents and their children. Families Forward’s vision is to end homelessness for local families. One of the fastest growing segments of the homeless population is working families with children struggling to make ends meet. The high cost of basic living, including rent, transportation, healthcare and childcare, coupled with the significant lack of affordable housing puts many families at risk.

Families Forward works with families experiencing homelessness to find realistic solutions for sustainable housing and build individualized plans to return each family to self-sufficiency. By stabilizing these families and giving them tools to build a future, Families Forward creates a stronger community for everyone. A key factor for success is Families Forward’s commitment to collaborate with many organizations to end family homelessness in Orange County, including the Commission to End Homelessness, First Five Orange County, Orange County United Way and many other partner agencies and foundations.

Providing supportive services to improve lives, Families Forward also reaches out to low-income families to help reduce the pressures that can cause homelessness and help them maintain their stability. Through various safety-net services, those at-risk are given access to assistance such as on-site food pantry, counseling, career coaching, financial and life skills education. Families Forward helps families recover from a financial crisis so they can maintain their self-sufficiency.

Families Forward holds strong to their commitment of five fundamental values:

- **Dignity**: Honor each individual through an atmosphere of respect, trust and confidentiality.
- **Empowerment**: Inspire self-sufficiency through the development of courage, confidence and pride.
- **Accountability**: Accept responsibility for commitments and accomplishing our goals.
- **Community Spirit**: Realize our vision through teamwork, cooperation and collaboration.
- **Hope**: Share a belief in new beginnings and allow dreams of the future to emerge.
