

BACK TO SCHOOL 2025

Set Students Up for a Successful School Year!

Join us in making sure every child – from kindergarten through high school – starts the year with the tools they need to thrive. By donating new, grade-appropriate school supplies, you’re giving students in need the confidence and support to succeed in the classroom and beyond.

Donations will be accepted through Friday, July 11th.

Let’s make back-to-school season brighter for every student in our community!
